Ossining, NY 10562**

The Board of Education and District Leadership are set to begin the 2012-2012 budget process this month. While it is still quite early in the school year, the time is right to get involved.

Everyone is invited to the Board of Education Work Session regarding Budget Priorities and the Budget Outlook for the 2012-2013 school year. At the Work Session, the District Leadership will present items for discussion on the following topics:

- *Tentative Budget Priorities for 2012-2013*
- *Budget Outlook*
- *Board of Education Consensus on Budget Priorities*

Following a presentation regarding tentative budget priorities and the budget outlook, the community will be invited to share ideas and suggestions regarding priorities for consideration. Following the above, the Board will act upon recommendations from the Administration regarding business, curriculum, and personnel matters.

Members of the school community are encouraged to attend this and all Board of Education meetings. Opportunities will be provided for members of the community to raise questions following presentations and prior to Board of Education action on agenda items.

Following the Board of Education meeting, this meeting, as well as all Board meetings, will be aired on GO-TV and easily accessed on the Ossining School District Web site at www.ossiningufsd.org.
