Following the Special Recognition, the Board of Education will conduct a Work Session. The Board of Education Work Session will focus upon the following topic.

- ***Ossining School District Budget 2013-2014***

To date and in a proactive fashion, the Board of Education has spent considerable time at Board meetings this year focusing upon issues surrounding the development of the Proposed District Budget for the 2013-2014 school year. To continue this objective, Interim Superintendent Mr. Raymond Sanchez, Assistant Superintendent Dr. Angela White, Assistant Superintendent Ms. Alita Zuber, and other members of the District's Leadership Team will provide "Mini-Lessons" on a number of topics that the District might consider reducing or eliminating in order to present a District Budget that adheres to the tax levy cap. The session is designed to engage the community and assist in the development of the District Budget for the 2013-2014 school year. The topics that will be addressed include the following: pre-kindergarten, teaching assistants, modified sports/ice hockey, and transportation mileage limits.

Following the above, the Board will act upon recommendations from the Administration regarding business, curriculum, and personnel matters.

Members of the school community are encouraged to attend this and all Board of Education meetings. Opportunities will be provided for members of the community to raise questions following the Work Session presentations and prior to Board of Education action on agenda items.
