Ossining High School Course Enrollments

The Board of Education Policy requires Board approval for all Ossining High School courses that are anticipated to educate fewer than 20 students when school opens in September 2013. On May 21, 2013 Ossining High School Principal Mr. Joshua Mandel will present the Board of Education with highlights of student course selections as well as those courses that have attracted fewer than twenty (20) students and that the administration is recommending for Board of Education approval.

Following the above, the Board will act upon recommendations from the Administration regarding business, curriculum, and personnel matters.

Members of the school community are encouraged to attend this and all Board of Education meetings. Opportunities will be provided for members of the community to raise questions following the Work Session presentations and prior to Board of Education action on agenda items.
