Deputy Superintendent Mr. Raymond Sanchez, Assistant Superintendent Dr. Angela White, and Building Principals will provide brief reports to the Board of Education regarding Student Achievement Action Plans for the 2012-2013 school year.

Following the above, the Board will act upon recommendations from the Administration regarding business, curriculum, and personnel matters.

Members of the school community are encouraged to attend this and all Board of Education meetings. Opportunities will be provided for members of the community to raise questions following the Work Session presentations and prior to Board of Education action on agenda items.
