The Ossining Union Free School District understands the importance of ensuring student safety in our schools and providing an educational and working environment that promotes respect, dignity and equality. The Dignity For All Students Act was designed to protect New York State students to an even greater degree than in the past in a number of defined areas. Assistant Superintendent Dr. Angela White will provide an overview of the Dignity For All Students Act legislation and the implementation in the Ossining School District.

Following the Work Session, the Board will act upon recommendations from the Administration regarding business of the Board and personnel matters.

Members of the school community are encouraged to attend this and all Board of Education meetings. Opportunities will be provided for members of the community to raise questions following the Work Session presentation and prior to Board of Education action on agenda items.
